SENATE BILL

No. 1139

Introduced by Senator Lara
(Coauthors: Senators Block, Hall, and Hertzberg)
(Coauthor: Assembly Member Gipson)

February 18, 2016

An act to add Section 2064.3 to the Business and Professions Code, and to add Section 128371 to the Health and Safety Code, relating to health professionals.

LEGISLATIVE COUNSEL'S DIGEST

SB 1139, as amended, Lara. Health professionals: medical residency programs: undocumented immigrants: scholarships, loans, and loan repayment.

(1) Existing law, known as the Medical Practice Act, provides for licensing and regulation of physicians and surgeons by the Medical Board of California and imposes various requirements in that regard. Existing law requires an applicant for a license as a physician and surgeon to successfully complete a specified medical curriculum, a clinical instruction program, and a training program. Existing law provides that nothing in the Medical Practice Act shall be construed to prohibit a foreign medical graduate from engaging in the practice of medicine whenever and wherever required as part of a clinical service program, subject to certain conditions.

Existing law, known as the Donahoe Higher Education Act, sets forth, among other things, the missions and functions of California's public and independent segments of higher education and their respective institutions of higher education. Existing law establishes the University of California, under the administration of the Regents of the University of California, as one of the segments of public postsecondary education in this state. The University of California operates medical schools at its Davis, Irvine, Los Angeles, San Diego, and San Francisco campuses, and a medical school will open at its Riverside campus in the 2016–17 academic year.

This bill would provide that any student, including a person without lawful immigration status, a person who is exempt from nonresident tuition pursuant to a specified statute, or a person who fits into both of those categories, who meets the requirements for admission is eligible to participate in a medical school program and a medical residency training program at any public or private postsecondary educational institution that offers such a program. *The bill would prohibit the denial of participation in one of these programs based on the citizenship status or immigration status of the applicant.*

(2) Existing law establishes the Office of Statewide Health Planning and Development and makes the office responsible for administering various programs with respect to the health care professions.

This bill would prohibit specified programs administered by the office from denying an application based on the citizenship status or immigration status of the applicant.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 2064.3 is added to the Business and
2 Professions Code, to read:
